Summary

For the past 16 years, I have been a dedicated **front-end engineer**, consistently delivering meaningful contributions to teams of all sizes and scopes. Over the past 8 years, I have honed my skills and expertise working remotely, bringing a high level of professionalism, organization, and collaboration to every project. As a passionate team player with a low-ego, I thrive on working closely with my colleagues to produce high-quality deliverables that exceed customer expectations. Whether working on a large-scale project or a tight deadline, I remain calm and focused, going above and beyond to ensure that our products are nothing short of exceptional.
